

Pillow...  
check.

Socks...  
check.

Books...  
check.

Under-  
wear...

Tooth-  
brush...

I've got  
some  
business  
at the  
imperial  
Capital.

Mm...  
Yeah.

...Astra-sama?  
What's the  
matter?  
You're  
suddenly  
organizing  
some  
luggage...

I plan to  
stay over  
there for  
two days,  
so I'm  
packing  
up.

DAY 2: Revisiting The Past

That's  
right.

It's  
gonna be  
vacant  
for two  
days! PIP

Yeah.

And  
the  
house!?

Yep.

Astra-  
sama is  
gonna  
be-

DAY12

Picturing The Past

Oook  
aaay...

Don't  
make  
such a  
big deal  
out of it.

ガタガタ

Aha!  
It's  
wobbling  
a little!

This  
*Hippogrifo*  
(eagle  
carriage) is  
amazing!  
It's sooo  
fast!

That's  
sooo  
far!  
Wooww!

I heard  
it'll take  
around  
six and  
a half  
hours.

How long  
will it take  
to reach the  
Imperial  
Capital?

That's  
because  
we  
always  
head  
to the  
village.

I mean,  
going out  
somewhere  
with Astra-  
sama.

This is a  
somewhat  
fresh  
experience  
for me.

U  
fu  
fu.

...Well, certainly,  
I have a feeling that,  
when I was a kid,  
I also used to get  
excited whenever  
I'd go even a little  
far away...

Lh  
huh...

Today, we're  
heading farther  
than we've ever  
gone before,  
so it's a little  
bit different  
from usual!

The Imperial Capital, Justitia, is huge. It's nowhere near the size of Brethren Village. I'm sure it'll be fun.

You've never gone to a big town before, so you must really be looking forward to it...!

My heart's beating so fast when I think about the first place I'm heading to!

I'll draw Astra-sama too!

It's a painting set! I can record lots of fun landscapes with this!

Ehe  
he  
he  
he...

That  
must  
be  
fun.

...I  
see.

Ahh,  
I guess  
I didn't  
tell you.

That reminds  
me, about  
this "thing  
you forgot",  
what are you  
heading there  
to get?

Hm?

Astra-  
sama...

Being  
a knight  
gives you  
a good  
salary.

Since long ago,  
my build was a  
little larger than  
others, and I  
was strong  
and enjoyed  
practicing  
swordsmanship.

Yeah.

*Since  
you  
were  
a kid!?*

That's  
been my  
dream  
since  
I was  
a kid.

Work diligently,  
get promoted  
quickly, save  
money steadily,  
buy a house  
promptly,  
and then  
retire soon.

Ehh...

That  
motive's  
not  
child-like  
at all...

When I was  
around 10  
years old, I  
was already  
aspiring to  
become one.

For  
the  
sake  
of  
money

I thought  
the easiest  
way for a  
guy like me  
to earn  
money was  
to become  
a knight.

That  
was all  
I had  
going  
for me.

I...  
believed  
that  
"I had no  
choice  
but to  
become a  
knight."

Well...  
To be clear...  
Saying that  
"I aspired to  
be a knight"  
is a little  
inaccurate...

Painting,  
playing  
instruments...  
I was envious  
because I  
lacked those  
talents.

My  
friends  
had  
hobbies  
or skills.

For me,  
let alone  
*life*, that  
*effort*  
felt very  
"natural".

Since I had  
no talent  
whatsoever,  
I put a lot  
of effort in  
to fill the  
void inside  
me.

Because of that,  
I... veered towards  
interests such  
as honing my  
wordsmanship,  
training my body,  
reading books,  
and all sorts of  
things.

For some  
reason, like you,  
it seems I've  
unconsciously  
gotten myself  
into high  
spirits since I  
haven't been on  
a distant trip  
for a long while.

I said  
a little  
too  
much.

...Oh my,  
how  
awkward.  
I usually  
don't go  
into such  
detail  
about  
myself,  
but...

*'As a symbol of friendship,  
to my dear Astra-kun.'*

I  
couldn't  
shake  
him  
off..

...Go...  
Gor  
Gor...

GOO  
OO  
RR  
RR  
RRR  
...

...YEAH...  
SORRY,  
BUT I THINK  
THIS IS AS  
FAR AS YOU  
CAN TAKE  
ME...

...Do  
you  
know  
him?

It would be  
nice if I could  
park the car...  
no, park the  
dragon in an  
inconspicuous  
spot, but...

Gor

— イッツマイライフ —

# *Elizabeth O' Antikythira (a.k.a Elise)*

*age: 19*

*height: 160cm*

*race: Antikythiron*

The Antikythira Tribe's young chief. She tries as hard as she can to be a tribe chief like her mother who used to govern the village magnificently, and although she conducts herself firmly, because she is sensitive if anything outside of her expectations happens, she reveals her extremely delicate and tired side. Being tactless, she tends to devote herself to one thing and ignores everything else. Because of that personality of hers, she ended up devoting herself to her work and isolated herself a lot from Noah whenever they were together. Her hobbies are reading books and appreciating the arts. Noah enjoys reading books as a result of Elise's influence.

She primarily uses ice magic, but that doesn't mean she can't use any others. She can use anything.

Her glasses are a magical tool used to change her eye colour. She doesn't wear them because she has bad eyesight. There are even times she wears them in the village just because she likes them.

Since the Antikythira Tribe is a race of people with smaller, slender builds than human beings, they appear a little younger than their actual age when they're together with humans. By no means is Elise the only one with a sunken chest; the entire race possesses figures like hers.
